## **Family Reunion 2025 Sponsorship**

**Tuesday, April 29, 2025 | 5:30 PM**

**AVENUE PORTLAND | 631 NE Grand, Portland, OR 97232**

**Build your Social Capital - Join our 2025 Maybelle Center Family Reunion!** It's the one night each year when our whole family comes together over a shared meal to raise our paddles and support our mission to create inclusive opportunities to experience belonging that help reverse human isolation and its root causes.

### **Our vision is to build a city where all people can experience a sense of belonging.**

For over 30 years, Maybelle Center has collaborated with businesses and organizations to raise awareness of the crucial role social health plays in our overall wellbeing – *especially for Portlanders living with mental illness or economic poverty*. The evening will feature stories about how creating inclusive opportunities for belonging is key to promoting social health. We can't wait!

**We will gather at Avenue Portland**, the perfect place to reunite. It's centrally located in Portland's NE event district, close to the Oregon Convention Center, and convenient to public transportation and parking. The spacious venue features state-of-the-art audio and visual technology for an immersive evening. Plus, you and your guests will feast on a family-style meal, play bingo, and so much more!

**A partnership we can both be proud of.** We believe every one of us matters and has a role to play in our shared future. And it's this connection and mutual interdependence that makes us stronger. These values are the basis of all our relationships and everything we do. We can't reverse human isolation and its root causes in Portland without generous contributions, and we are committed to only partner with organizations who share our values – and we hope you feel the same!

**As a supporting partner, you'll be spreading awareness of your brand in alignment with the emerging field of social health and investing in a Portland where we all belong:**

- Position your brand with an established Community Health Organization in Portland, focusing on authentic relationships (est. 1991 as Macdonald Center).
- Get in front of attendees consisting primarily of mid-career and recent retirees from professional fields including health, finance, law, and education.
- Be a leader in reinvigorating Portland by helping to raise \$250,000 to invest in a healthier, more connected, and thriving Portland.

**This is your chance to join forces with a proven Community Health Organization with decades of experience as a local leader in social health and effective interventions that confront the root causes of social isolation.**
